Legends of Dawn – watch [the new trailer](#) now!

LEGENDS OF DAWN is an exciting Fantasy RPG Action Adventure set in Narr, a unique and open Fantasy world. More than a hundred intriguing locations like dark dungeons, mysterious monster camps and flying islands await discovery. Experience the world in a classic 3rd person point of view. Be blown away by the fantastic tale of treason and fear in LEGENDS OF DAWN.

Equip your character in one of the various cities and get new quests from any of the teeming NPCs. You will be forced to use creativity and innovative fighting styles to solve missions and survive. Mage or Knight will work together without class restrictions – it is up to you to combine your skills and create the perfect fighting style to defeat more than 150 different opponent types. But. . . be careful. Your enemies will change tactics (because of different weather conditions or the day & night cycle, for example). They guarantee continuous surprises. Solve more than 100 quests and get the answers to all secrets of the LEGENDS OF DAWN.

Walk your hero to avenge injustice – the fate of the world is up to you in Q3 2012.
